The Williamson Flying Club was founded in 1956 by five enthusiasts from the Williamson area.

The club's stated purpose is to promote and encourage interest in aviation and teach members to improve their flying skills.

Today's flying club is an incorporated organization of more than two hundred members.

The Williamson Flying Club provides:

~ A community atmosphere that encourages learning.
~ A full time, professionally trained Flight Instructor.
~ A fleet of aircraft that will meet your training and travel needs.
~ A flexible rental policy that allows for extended trips.
~ Online scheduling.
~ Clubhouse access.
~ Unmatched aircraft rental and instruction rates.
~ Flight Training and Ground Instruction towards the:

PRIVATE PILOT Certificate
RECREATIONAL PILOT Certificate
INSTRUMENT RATING
COMMERCIAL PILOT Certificate
FLIGHT INSTRUCTOR Certificate
